

Plain Bob facts

Hunting **out** : **even** places at handstroke
in : **odd**

You always **Make 2nds over the treble**:

- *you take the treble off lead before Making 2nds*
- *the treble takes you off lead after you Make 2nds*

You take your **course** bell off leads (except when
Your **after** bell takes you off leads Making 2nds)

You pass the treble ...

- in **1-2** when you're about to **Make 2nds**
- in **2-3** when you're about to **Dodge 3-4 Up**
- **out at the back** before you **Dodge 3-4 Down**
- **in at the back** after you **Dodge 3-4 Up**
- in **3-2** after you **Dodge 3-4 Down**
- in **2-1** after you **Make 2nds**

You pass the other working bells in **coursing order**

You pass all working bells on your ^{right} then on your ^{left}
_{left} _{right}

You are at the back only over **treble, after,** and **course**:

- **treble-after**: you're about to Dodge 3-4 Down
- **course-treble**: you're about to Make 2nds
- **course-after**: you're about to do something else
